28 November 1951

TO: Deputy Assistant Director, Policy Coordination  
FROM: Chief, Operations Staff/OSO  
SUBJECT: Albania

Today I talked at length with Chief, FDP/OSO, on Albania with a view to briefing him on the discussions held with Broadway during our meetings in London. As a result of our conversation, it is clear that OSO is involved in no activity with respect to Albania which in any way runs counter to current OPC plans as we know them. Consequently, Chief, FDP, and his staff stand ready at any time to sit down with appropriate officers of OPC to work out an overall CIA program not only vis-a-vis the British, but also on the entire question of operations against Albania.

It is the OSO view that at this stage CIA should have a single position, particularly towards the British, so that all CIA assets may be protected and at the same time unfortunate rivalries be eliminated.
